Summary

Passionate Python Developer with a strong commitment to solving complex problems through code. Proven track record of delivering tailored solutions that not only meet but exceed client expectations. Experienced in freelancing, I've effectively earned substantial income through Fiverr, showcasing my ability to deliver quality results in a competitive environment. I'm dedicated to leveraging my expertise and innovation in Python development to contribute to forward-thinking projects and drive success.

Education

Manakula Vinayagar Institue of Technology

CSE • Puducherry, Puducherry

06/2027

At Manakula Vinayagar Institute of Technology (MVIT), I pursued a Bachelor's in Computer Science, immersing myself in a comprehensive curriculum. I actively engaged in coursework, projects, and collaborations, solidifying a strong foundation in computer science. My commitment to academic excellence and passion for the field shone through during my years at MVIT.

Shree Bharath Vidyaashram

Higher Secondary School • Puducherry, Puducherry

06/2023

At Shree Bharath Vidyaashram School, I excelled both academically and as a leader. Achieving top grades and actively participating in leadership roles, I left a positive impact on the school community. My achievements extended beyond the classroom, with awards and recognition in extracurricular activities, emphasizing my well-rounded abilities.
